

Roc Solid Sports Select Basketball Teams

Dear Prospective Sponsor:

My name is Eric Nawracaj, also known as Coach Roc in the basketball community. I have been training youth athletes for over 14 years. My goal for starting these Roc Solid Sports Select Basketball Teams is simple. I would like to provide leadership and training to these young athletes so they may prosper and live their dreams of playing collegiate basketball one day.

The money that you donate will allow us to take these athletes and compete on a National Stage. It will allow these athletes to be seen by NCAA basketball programs across the country. Each and every one of these athletes has been hand selected for this team. They each have the ability to be receiving a scholarship to play basketball at the University level; with your help these athletes will be recognized, All of my athletes are required to maintain an A-B grade average at their school to be considered and or compete on this select team. The highest Honor, Integrity, and Discipline will be continually instilled in these young men to represent your sponsorship extremely well.

For these reasons, I am asking you to consider sponsoring the Roc Solid Sports Select Basketball Teams. Your assistance will help our teams meet the demanding costs of competition and ease some financial burden placed on the families of these athletes. You or your business will be recognized for taking an active role in AAU Basketball. Roc Solid Sports Select Basketball Teams welcome individual and business contributions in any amount. Your donation is tax deductible (**Tax I.D. #45-3974806**). With your sponsorship, you will be recognized in the following ways:
